STUDENT-ATHLETE CORPORATE SPONSORSHIP AND PAID INTERNSHIP AGREEMENT

This Student-Athlete Corporate Sponsorship and Paid Internship Agreement (this “Agreement”) is entered into as of the date of the last signature below (the “Effective Date”), by and among LREMC Technologies, LLC d/b/a RIVRTECH (“RIVRTECH”); Robeson Community College (“RCC” or the “College”); and [STUDENT-ATHLETE’S FULL LEGAL NAME] (the “Student-Athlete”). RIVRTECH, RCC, and the Student-Athlete are each a “Party” and together the “Parties.”

Recitals

- A. RCC operates an intercollegiate athletics program that includes a baseball program (the “Robeson Community College Diamond Eagles Baseball Program,” subject to confirmation by RCC).
- B. RIVRTECH is a local company that desires to support local student-athletes and the surrounding community while providing meaningful professional development and real-world work experience.
- C. RCC supports appropriate workforce-development and professional opportunities for its students, provided that such opportunities do not interfere with a student-athlete’s education, athletic participation, eligibility, or other College responsibilities.
- D. The Student-Athlete desires to participate in a paid internship with RIVRTECH and agrees to perform all assigned duties professionally, reliably, and in accordance with applicable policies and law.
- E. The Parties intend for this Agreement, and all activities under it, to comply with applicable federal and North Carolina law, RCC policies, applicable NJCAA rules, applicable conference rules, and other applicable athletics requirements. [Confirm applicable athletics governing bodies and rules with RCC.]
- F. The Parties acknowledge that any compensation paid under this Agreement is provided solely in exchange for legitimate work and professional services actually performed, and not for athletic performance or any athletics-related consideration described in Section 6.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

1. Parties and Effective Date

1.1 Effective Date. This Agreement is effective as of the Effective Date stated above and continues for the Agreement Term described in Section 3, unless earlier terminated.

1.2 Parties and Contact Information. The Parties and their contact information are:

Party	Address	Email / Telephone
LREMC Technologies, LLC d/b/a RIVRTECH (“RIVRTECH”)	6090 NC Highway 711 North, Pembroke, North Carolina 28372	Email: john.dyson@lumbeeriver.com Telephone: [PHONE]

Party	Address	Email / Telephone
Robeson Community College ("RCC")	5160 Fayetteville Road, Lumberton, North Carolina 28360	Email: [EMAIL] Telephone: [PHONE]
[STUDENT-ATHLETE'S FULL LEGAL NAME]	[STUDENT-ATHLETE ADDRESS]	Email: [EMAIL] Telephone: [PHONE]

1.3 Primary RIVRTECH Work Location. The primary work location for the internship is LREMC Technologies, LLC d/b/a RIVRTECH, 6090 NC Highway 711 North, Pembroke, North Carolina 28372, and such other approved work or event locations as RIVRTECH may reasonably assign.

2. Purpose of the Partnership

2.1 This Agreement establishes a community partnership between RIVRTECH and RCC, supported by the Student-Athlete's participation in a paid internship. The Parties share a commitment to developing career-ready student-athletes and strengthening the local workforce.

2.2 The partnership is intended to support:

- local workforce development and economic opportunity in the Pembroke and Robeson County community;
- career readiness and professional development for the Student-Athlete;
- real-world experience in sales, marketing, customer engagement, and business operations;
- community engagement and outreach;
- RCC athletics, including appropriate support for the Diamond Eagles Baseball Program (subject to confirmation by RCC); and
- the academic and athletic success of the Student-Athlete.

2.3 The Parties intend that the internship enhance — and never detract from — the Student-Athlete's education, athletic participation, and eligibility.

3. Agreement Term

3.1 Term. This Agreement begins on September 1, 2026 and, unless earlier terminated under Section 20, ends on May 31, 2027 (the "Agreement Term").

3.2 Season. The Agreement Term corresponds to activities associated with the 2026–2027 baseball season, unless the Parties agree otherwise in writing.

3.3 Maximum Duration. In no event will the Agreement Term exceed twelve (12) months without a written extension.

3.4 Extension. Any extension or renewal of this Agreement must be approved in writing and signed by all required parties, including any approvals required under Exhibit F.

4. Sponsorship Recognition

4.1 Recognition Opportunities. Subject to RCC's prior written approval and applicable policies, RCC may provide RIVRTECH with reasonable, school-approved recognition as a local corporate sponsor supporting the Diamond Eagles Baseball Program and the Student-Athlete, which may include:

- identification of RIVRTECH as a corporate sponsor of the program;

- approved recognition on RCC athletics materials;
- approved social media recognition;
- recognition at selected baseball events;
- opportunities for RIVRTECH representatives to attend approved athletic or community events; and
- other mutually agreed promotional opportunities.

4.2 Approvals and Institutional Control. The Parties acknowledge and agree that:

- all uses of RCC's name, logo, colors, trademarks, photographs, uniforms, facilities, and branding require RCC's prior written approval;
- RIVRTECH does not automatically receive exclusive sponsorship rights of any kind;
- RCC retains full control of its institutional marks and its athletics operations; and
- the final, agreed recognition benefits will be listed in the attached Sponsorship Benefits Schedule (Exhibit B).

4.3 Compliance. All sponsorship recognition is subject to applicable RCC policies and applicable NJCAA and conference rules. [Confirm permissible recognition with RCC athletics compliance.]

5. Paid Internship Position

5.1 Position. RIVRTECH will employ the Student-Athlete in the position of "Sales and Marketing Student Intern" (the "Internship").

5.2 Classification. The Student-Athlete is employed by RIVRTECH as a temporary, part-time, non-exempt, paid employee. The Student-Athlete is not an employee or agent of RCC for any purpose under this Agreement.

5.3 No Guarantee of Future Employment. The Internship is temporary and does not guarantee or imply any offer of continued or future employment with RIVRTECH.

6. Compensation and Maximum Hours

6.1 Wage Rate. RIVRTECH will pay the Student-Athlete \$20.00 per hour for actual, authorized hours worked.

6.2 Maximum Compensation. The Student-Athlete may earn up to \$2,000.00 in total gross wages during the Agreement Term (the "Maximum Compensation").

6.3 Maximum Authorized Hours. Because the wage rate is fixed at \$20.00 per hour, the maximum number of internship hours is calculated as:

$$\text{Maximum Internship Hours} = \text{Maximum Dollar Amount} \div \$20.00$$

"At a maximum compensation amount of \$2,000.00 and an hourly wage of \$20.00, the Student-Athlete may work up to 100 authorized hours during the Agreement Term."

6.4 Payroll. All wages are paid through RIVRTECH's normal payroll process on RIVRTECH's regular payroll schedule, less all legally required deductions and withholdings.

6.5 Pay for Hours Actually Worked; No Advance Wages. The Student-Athlete is paid only for actual hours worked. Compensation will not be paid in advance as wages for hours that have not yet been worked.

6.6 Timekeeping and Authorization. The Student-Athlete must accurately record all time worked and submit timesheets for approval by the designated RIVRTECH supervisor (see Exhibit C). All work must be authorized in advance. Off-the-clock work is prohibited.

6.7 Overtime. Unauthorized overtime is prohibited, and overtime hours should not be scheduled without advance written approval. If, however, the Student-Athlete works more than forty (40) hours in a workweek, RIVRTECH will pay all legally required overtime in accordance with applicable law.

6.8 No Debt for Unworked Hours. Failure to work the maximum number of available hours does not create any debt owed by the Student-Athlete to RIVRTECH. The Student-Athlete will simply be paid for the actual, approved hours worked.

6.9 Nature of Compensation. The Parties expressly agree that all compensation under this Agreement is paid solely for legitimate work and professional services actually performed. It is NOT, in whole or in part, compensation for any of the following:

- athletic performance;
- statistics or awards;
- playing time;
- enrollment at RCC;
- remaining on the baseball team;
- recruiting commitments;
- attendance at a particular college;
- winning games; or
- any improper influence over an athletic decision.

7. Internship Duties

7.1 Duties. The Student-Athlete's duties may include the following, as assigned and supervised by RIVRTECH:

- assisting with community sales and marketing events;
- representing RIVRTECH at approved outreach events;
- supporting residential and business sales initiatives;
- assisting with prospective-customer outreach;
- entering and organizing authorized sales leads;
- making supervised follow-up calls;
- assisting with promotional campaigns;
- preparing event materials;
- supporting customer-education initiatives;
- helping with office-based sales activities;
- conducting basic market research;
- assisting with social media or digital marketing content when authorized;
- helping organize sponsorship and community events;
- attending sales and product training;
- maintaining accurate activity records; and
- performing other reasonable, non-hazardous duties related to sales, marketing, and professional development.

7.2 Limitations on Authority and Duties. The Student-Athlete is NOT authorized to, and will not:

- sign contracts;
- make binding commitments for RIVRTECH;
- collect or personally retain customer payments;

- access customer information without authorization;
- represent that the Student-Athlete can guarantee service availability;
- drive a company vehicle without separate written authorization;
- perform construction, electrical, fiber-splicing, climbing, or other hazardous work; or
- perform any work prohibited by law or by RIVRTECH policy.

8. Work Schedule and Academic Priority

8.1 The Parties agree that academics and required athletic activities take priority over the Internship. Specifically:

- work hours will be scheduled by mutual agreement;
- the Student-Athlete's academic requirements and required athletic activities will be reasonably accommodated;
- the Student-Athlete must provide reasonable advance notice of classes, practices, games, travel, examinations, and schedule changes;
- work will not be performed during required class time;
- the normal work schedule will not exceed ten (10) hours per week unless approved in advance;
- the Internship must not interfere with the Student-Athlete's academic progress or athletic eligibility; and
- RCC may communicate scheduling concerns to RIVRTECH, subject to applicable privacy rules and the Student-Athlete's written authorization.

9. Work Location and Transportation

The Student-Athlete is responsible for maintaining dependable transportation to and from the primary RIVRTECH work location at 6090 NC Highway 711 North, Pembroke, North Carolina, and to other approved work or event locations. Transportation to and from the Student-Athlete's regular work location is the Student-Athlete's responsibility and is not considered compensable work time, except where otherwise required by law.

9.1 Travel Between Work Locations. Travel between assigned work locations during the workday will be handled under RIVRTECH's applicable travel-time and mileage-reimbursement policies.

10. Dress and Professional Appearance

During office hours, meetings, sales activities, and other assigned working hours, the Student-Athlete must wear business-casual attire unless RIVRTECH approves event-specific apparel. Clothing must be clean, professional, appropriate for the assigned duties, and consistent with RIVRTECH workplace policies.

10.1 RIVRTECH-branded clothing is permitted, and may be required, for approved community and marketing events.

11. Supervision and Performance Expectations

11.1 Supervision. The Student-Athlete will report to a designated RIVRTECH supervisor (the "Supervisor," identified in Exhibit E). A designated RCC athletics contact will serve as the College's point of contact for program coordination (also identified in Exhibit E).

11.2 Expectations. The Student-Athlete agrees to:

- complete orientation and training as directed;
- maintain punctuality and reliable attendance;
- provide advance notice of absences whenever possible;
- communicate professionally with employees and customers;
- treat employees, customers, and community members with respect;
- complete assigned work in a timely and accurate manner;
- adhere to RIVRTECH company policies; and
- participate in periodic progress reviews.

11.3 Evaluation. At the conclusion of the Internship, RIVRTECH will provide an end-of-program evaluation or certificate of completion.

12. Student-Athlete Eligibility and Athletics Compliance

12.1 The Parties acknowledge and agree that:

- the Student-Athlete must disclose this arrangement to RCC as and to the extent required by applicable RCC, NJCAA, or conference rules;
- this arrangement is subject to applicable RCC, NJCAA, conference, and other applicable athletics rules;
- RCC does not guarantee the Student-Athlete's continued athletic eligibility;
- compensation is based solely on legitimate work actually performed;
- compensation is not contingent upon athletic participation, performance, playing time, recruiting, enrollment, or team status;
- coaches will not control payroll, hours, or employment evaluations;
- employment decisions will be made solely by RIVRTECH;
- this arrangement does not require the Student-Athlete to attend or remain enrolled at RCC if such a requirement would violate applicable athletics rules; and
- the Parties will promptly modify or terminate any provision determined to violate applicable law or applicable athletics requirements.

12.2 Compliance Confirmation. [Confirm all applicable disclosure and approval requirements with RCC's athletics compliance office before execution.]

13. Name, Image, and Likeness (NIL)

13.1 Limited NIL Provision — Applies Only If Separately Approved. This Section 13 applies ONLY if RCC and the Student-Athlete approve NIL use in writing (see Exhibit D). Hourly wages under Section 6 do not purchase, and are not intended to purchase, any NIL rights.

13.2 If approved in writing, the limited NIL authorization may include:

- approved use of the Student-Athlete's name, image, voice, likeness, biography, and approved photographs;
- defined media and promotional purposes;
- an approval process for all promotional content;
- specific beginning and ending dates;
- defined geographic and media scope;
- a prohibition on implying RCC endorsement beyond approved sponsorship recognition;
- no use of RCC uniforms, logos, facilities, or marks without RCC's prior written approval;
- Student-Athlete representations that the approved materials do not violate any other agreement;

- RIVRTECH's right to revoke future use for material breach or for legal or compliance reasons; and
- removal of future promotional use after this Agreement ends, subject to reasonable archival use.

13.3 No Assumption of Rights. The Parties do not assume that hourly wages automatically grant RIVRTECH any unrestricted NIL rights. Any NIL use must be separately approved as set out in Exhibit D.

13.4 Optional Separate NIL Fee — USE ONLY IF APPROVED BY RCC AND LEGAL COUNSEL

If RIVRTECH will pay a separate NIL fee, the following optional terms apply and are separate from the hourly internship wages in Section 6:

- Separate NIL compensation amount: **[\$[NIL FEE AMOUNT]]**;
- Specific promotional deliverables: **[DESCRIBE DELIVERABLES]**;
- Payment schedule: **[NIL PAYMENT SCHEDULE]**;
- Approval requirements: written approval by RCC and the Student-Athlete, and legal-counsel review; and
- Confirmation: the NIL fee is separate from, and in addition to, the hourly internship wages, and is not payment for athletic performance or any other item listed in Section 6.9.

[USE ONLY IF APPROVED BY RCC AND LEGAL COUNSEL.]

14. Confidentiality and Customer Information

14.1 Confidential Information. During and after the Internship, the Student-Athlete will protect and keep confidential the following information belonging to RIVRTECH or its customers:

- customer information;
- prospective-customer information;
- pricing information;
- sales strategies;
- internal business records;
- network information;
- employee information;
- passwords and systems;
- proprietary materials; and
- other confidential information.

14.2 Return and Deletion. When the Internship ends (or upon RIVRTECH's request), the Student-Athlete will promptly return and, as directed, delete all RIVRTECH information and materials in the Student-Athlete's possession.

14.3 General Skills Preserved. Nothing in this Section prevents the Student-Athlete from using the general skills, knowledge, and experience gained during the Internship. This provision is not intended to operate as an unreasonably broad restriction.

15. Technology, Social Media, and Public Statements

15.1 Policy Compliance. The Student-Athlete will comply with RIVRTECH's applicable policies, including its:

- acceptable-use policies;

- cybersecurity rules;
- social media policies;
- customer privacy requirements; and
- brand standards.

15.2 No Unauthorized Statements. The Student-Athlete may not make any unauthorized statements on behalf of RIVRTECH or RCC.

16. Workplace Conduct

16.1 Standards. The Student-Athlete will comply with applicable conduct standards, including:

- anti-discrimination rules;
- anti-harassment rules;
- workplace safety requirements;
- drug-free workplace policies;
- violence-prevention policies;
- professional conduct standards; and
- applicable RCC student conduct requirements.

16.2 Reporting. Workplace or program concerns may be reported to the contacts listed in Exhibit E, including RIVRTECH Human Resources and the RCC athletics contact.

17. Employment Status, Benefits, and Workers' Compensation

17.1 The Parties acknowledge and agree that:

- RIVRTECH is the sole employer for the paid Internship;
- the Student-Athlete is a temporary, part-time, non-exempt employee of RIVRTECH;
- the Student-Athlete will receive only those benefits required by law or expressly stated in RIVRTECH policy;
- RIVRTECH will provide workers' compensation coverage as required by law;
- RCC is not responsible for payroll, taxes, workers' compensation, or employment supervision for the Internship; and
- nothing in this Agreement creates an employment relationship between RCC and the Student-Athlete.

18. Financial Aid and Tax Disclosure

18.1 The Parties acknowledge and agree that:

- wages and any separate NIL payments may have tax consequences;
- compensation may affect financial-aid reporting or other benefit eligibility;
- the Student-Athlete is responsible for making any required disclosures;
- RCC may advise the Student-Athlete to consult the RCC Financial Aid Office; and
- the Parties are not providing personal tax advice to the Student-Athlete.

19. Insurance and Allocation of Responsibility

[FLAG FOR LEGAL REVIEW — RCC is a North Carolina public community college; indemnification and liability terms are subject to limitations under North Carolina law and must be reviewed and approved by RCC legal counsel.]

19.1 Each Party's Responsibilities. Subject to and to the extent permitted by North Carolina law:

- RIVRTECH is responsible for its own workplace and its employees;
- RCC is responsible for its own premises and institutional activities;
- each Party is responsible for its own negligent acts or omissions, to the extent allowed by North Carolina law; and
- each Party will maintain applicable insurance coverage consistent with its responsibilities.

19.2 No Student-Athlete Indemnity. No broad indemnification obligation is imposed on the Student-Athlete under this Agreement.

19.3 Public-College Limitations. Nothing in this Agreement is intended to require RCC to indemnify any Party in a manner inconsistent with limitations applicable to a North Carolina public community college. **[Confirm permissible allocation and insurance terms with RCC counsel.]**

20. Termination

20.1 Termination Events. This Agreement (and/or the Internship) may be terminated:

- by mutual written agreement of the Parties;
- by RIVRTECH for misconduct, attendance problems, policy violations, poor performance, safety concerns, or legitimate business reasons;
- by RCC for athletics compliance, student welfare, academic, institutional, or policy concerns;
- by the Student-Athlete upon written notice;
- automatically upon expiration of the Agreement Term;
- if the arrangement becomes legally impermissible; or
- if the Student-Athlete is no longer eligible to participate, when the Student-Athlete's continued participation is essential to the approved sponsorship component.

20.2 Payment on Termination. Upon any termination, the Student-Athlete will be paid all wages legally due for hours already worked.

21. No Guarantee of Team Position or Playing Time

21.1 The Parties clearly agree that:

- RIVRTECH has no control over team selection, playing time, coaching decisions, discipline, scholarships, or athletics eligibility;
- RCC and its coaches retain exclusive authority over all athletics decisions; and
- neither the Internship nor the sponsorship guarantees roster placement or playing time.

22. Independent Parties and No Agency

22.1 RCC and RIVRTECH remain independent entities. Neither may bind the other, and neither is the agent, partner, or joint venturer of the other, without express written authority.

23. Compliance With Law

23.1 Applicable Requirements. The Parties will comply with applicable law and requirements, including:

- the Fair Labor Standards Act (FLSA);
- the North Carolina Wage and Hour Act;
- applicable tax and payroll requirements;
- applicable youth-employment requirements if the Student-Athlete is under 18;

- applicable RCC policies;
- applicable NJCAA requirements;
- applicable conference rules; and
- other governing requirements.

23.2 Minors (If the Student-Athlete Is Under 18)

If the Student-Athlete is under 18 at any time during the Agreement Term, the following also apply:

- parent or guardian consent is required;
- a North Carolina Youth Employment Certificate is required, if applicable;
- applicable restrictions on hours and job duties will be followed; and
- the additional parent/guardian signature block must be completed.

24. Governing Law and Venue

24.1 Governing Law. This Agreement is governed by the laws of the State of North Carolina, without regard to its conflict-of-laws principles.

24.2 Venue. Venue for any dispute will be [VENUE — TO BE CONFIRMED BY RCC AND RIVRTECH COUNSEL]. [Legal-review note: do not finalize venue until RCC and RIVRTECH counsel approve; venue for a North Carolina public community college may be subject to specific requirements.]
